ATTENTION PLEASE:- 99% of the GNI Management Committee are up for re-election/election at the AGM on Saturday Oct. 13 2018

Only our General Secretary, Julia Russell is firmly established for a further 2 years.

The following positions are now to be put forward for election/re-election.

Chair	Salim M. Khan
Vice Chair	Angela Bradbury
Registrar	Abigail Francis
Treasurer	Abigail Francis
Secretary	Rosemary Lomas
Chair of Education Committee	- Janet Spence

All the above Officers are willing to stand again for a further 3 years service, -except Janet Spence our hugely proven capable Chair of the Education Committee. Janet would very much like to see a younger replacement, mainly for the benefit of the G.N.I.'s future. However, with 2 overseas Iridology Courses seeking GNI Accreditation, she will not "leave us in the lurch". On the contrary, this is possibly a timely opportunity to "brief up" a suitable successor.

In this particular instance, the £400 charge for College & Course Assessments is paid, in full, to the Assessor. That is the only remuneration unless travel etc, re. inspecting teaching venues, exam. processes and supervision etc. is considered necessary.

Under the GNI Constitutional requirements, Article 3 a) succeeding Officers must have been a Full Member and have the support of no less than 3 Fellow Members and 3 Full Members. This election requires full sanction of the Management Committee

If you consider you could contribute, even enhance current procedures please apply to the General Secretary with the necessary of Full & Fellow Members. Alternatively, apply to myself, Angela Bradbury to see if the established requirements can be fulfilled through known protocol and references.
